

ADDISON NORTHWEST SCHOOL DISTRICT POLICY

SECTION: INSTRUCTION

CODE: D20

TITLE: CURRICULUM DEVELOPMENT & COORDINATION

The School District shall be responsible for establishing a District-wide curriculum by either developing the curriculum or assisting member schools to develop it jointly. The School District curriculum shall be coordinated to allow students to meet or exceed standards established by the Vermont State Board of Education. Curriculum plans shall be coordinated between sending and receiving schools within the School District and will be periodically reviewed to determine compatibility with schools outside the School District that are attended by students residing within the School District.

The School District shall assist each school in the district to follow the curriculum developed in accordance with this policy.

The Superintendent shall be responsible for assisting the School District and its schools in the development, implementation, coordination, and evaluation of the curriculum.

The Superintendent shall conduct systematic evaluations of all programs within the curriculum and report the results to the School Board at least annually.
