

Community Engagement Committee
Meeting Minutes
6/21/18

Present: Diana Raphael, Kristina MacKulin, Chris Cousineau, Laurie Gutowski, Scott Grant, and Marilyn Woods

Meeting called to order at 5:35pm

Laurie Gutowski motion to accept the minutes from May 24, 2018. Scott Grant second. Motion passed unanimously.

The dates have been confirmed for to CEC events at the high school: October 11 and November 1.

The CEC received a \$600 grant from Nellie Mae to be used for the two events.

Marilyn Woods presents some historical information to the committee on the school district and one room school houses. Marilyn W. will continue to gather historical information to be used in a CEC presentation. She suggested that the presentation use the format "Did you know?" to present some of the history of education in our five town district.

Discussion on the two fall events, what we could do for food (beverages, cheese, crackers, etc.). Discussion on arranging for childcare, having people RSVP. Discussion on the title of the event - possibly "Community Conversation sponsored by the CEC/ANWSD Board about the future of our schools". Work will continue on the PowerPoint presentation. We will train students to facilitate the table conversations. Discussion on how to get the word out on the two events (FPF, create flyer, newspaper, social media, school newsletters, etc.).

Diana, Scott and Megan met to discuss the asset mapping. It has stalled because they have not identified an easy format to enter the data into..

We did not receive the VSBA grant the CEC applied for.

Marilyn Woods has agreed to join the committee. Scott will add her name to the email list.

The next meeting is August 16, 2018. Scott Grant motion to adjourn at 6:51pm. Chris C. seconds. Motion passed unanimously.
